ABOUT THE PROGRAM: **"Genealogy Show and Tell"**

This year we are having a "Genealogy Show and Tell" for our Christmas Gathering. Some suggestions to bring would be: a family heirloom; a book you have written about your ancestors; technology you may use - Apps, scanners, I-phones, I-pads; maybe a blog you have come across that you enjoy reading; websites you find helpful; books, new databases or webinars that are helpful in your research, or tell us how you broke down your brick wall. We will have an extra table set up for display of items. We can share our ideas and maybe help each other break down some of our brick walls. It should be lots of fun. If able please bring a goodie to share.

We look forward to seeing everyone at the last meeting of the year. This will be an informal event where we can gather together and celebrate the year, the holidays and our love of family history.
